De la Dalla Valle

Daniela Dallavalle

nomade dell'arte - eterna curiosa - alchimista della materia
Artistic nomad - Eternally curious - Alchemist of the matter
Nomade de l'art - Éternelle curieuse - Alchimiste de la matière

L'arte di Daniela Dallavalle è una poesia intimista, potentemente lirica: libera dalle gabbie figurative, dai dogmi artistici e dai pregiudizi. Lo spirito creativo si rivela attraverso l'utilizzo di diverse forme espressive, grafismi, quadri, sculture e moda che racchiudono l'ecletticità di un'artista in tutte le sue forme.

Daniela Dallavalle's art is an intimate poetry, powerfully lyrical: free from the figuratives cages, from the artistic dogmas and from prejudice. The creative spirit reveals itself through the utilisation of various forms of expressions, trappings, paintings, sculptures and fashion that enclose the eclecticism of an artist in all its form.

L'art de Daniela Dallavalle est une poésie intimiste, puissamment lyrique: libre des cages figuratives, des dogmes artistiques et des préjugés. Le spirit créatif se révèle à travers l'utilisation de plusieurs forms d'expressions, graphismes, cadres, sculptures et mode qui contiennent l'éclecticisme d'un artist dans toutes ses formes.

The image shows a complex, textured surface with various colors and patterns. A central white box with a yellow border contains the text "COLOR CHART". The background is a mix of grey, blue, yellow, and brown tones, with some areas appearing to be painted or stained. The texture is rough and uneven, with some areas showing signs of wear or damage. The overall appearance is that of a weathered or artistic surface.
