Doll

COLLECTION

La D-Doll è il nostro gioiello ispirato alla personalità di Daniela: grandi occhiali per osservare la bellezza dei piccoli dettagli, raggianti capelli biondi che trasmettono l'energia luminosa della vita, piedi nudi per andare lontane e scoprire il mondo...

La Dani Doll può essere usata come spilla o come collana, collezionata in differenti stili sempre in linea con le sfumature della nostra esistenza: un nuovo accessorio con cui giocare e personalizzare in modo originale le creazioni Elisa Cavaletti!

It's a handmade in Italy doll-jewel, inspired by the hallmarks of Daniela: large glasses to observe the beauty of small details, fair blond hair radiating the energy of life, bare feet to walk very far and discover the world...

The Dani Doll is a pendant or a pin, to be collected in different styles, accordingly to the shades of our life: a new accessory to play with and to customize Elisa Cavaletti outfits in an original way!
